Dear Friends, Neighbors & Alumni,

As members of the Lake Linden-Hubbell Public School District and all of our communities represented by the school athletic programs, we invite you to join our Sports Booster Club through our new membership program.

Your contribution directly benefits the athletic programs and our student athletes, and it has an immediate and positive impact on the quality of our sports programs and their safety.

With the reductions that have taken place in state funding in education, there is an increase in our school's reliance on booster club funding assistance. Now, more than ever, your membership is essential in maintaining the long-standing tradition of LLHS athletic and academic excellence.

The Lake Linden-Hubbell Sports Booster Club supports a significant number of middle and high school student athletes. Your membership ensures that our athletes can concentrate on their performance and academics instead of fund raising.

Below is a list of some of the many ways the Booster Club has used the money it has raised to help with athletics:

- All Basketball, Volleyball, Track, and Golf Equipment and Team Uniforms are purchased by the Booster Club
- All of the Athletic Banners located in the two gyms, which list Conference, District, Regional, and State Championships for Basketball, Volleyball, and Track
- The Track Record Board
- Some of the Weight Room Equipment and Ice Machine for the trainer's room
- Statistics Software for both Basketball and Volleyball Programs
- Embroidered Golf Bags for the Golf Teams
- Referee stand for the Volleyball Program
- Helped purchase part of the Track & Field Pole Vault Pit
- The Booster Club pays for all athletes, managers, and coaches at their end of season Awards Ceremony
- Money is given to teams for meals when traveling long distances and/or overnight for Tournaments
- The Lakes Protective/Decorative Mats in the HS Gym
- The Cushioned Lakes Chairs in the Elementary Gym
- A new Sound System for the High School Gym

The athletic programs are a great source of pride in our community. Furthermore, history has proven that our rich tradition of athletic excellence and support of our athletes is an investment in our community's future. Please join us today, to support our tomorrows.
