

# ESSER III Survey for Lake Linden-Hubbell Public Schools

**B** *I* U

The Lake Linden-Hubbell Public School District is applying to receive Elementary and Secondary School Emergency Relief Funds (ESSER) to address learning recovery from the impact of COVID-19. These funds are designated for one-time or short-term expenditures to address the ongoing impact of the pandemic.

Lake Linden-Hubbell Public Schools is seeking feedback from district and community stakeholders to help determine how the district should best utilize these resources to address unfinished learning, ongoing COVID-19 recovery and Federal Program grant funds. Please let us know your opinions by completing this brief survey by the end of the day on November 29th. Thank you for your feedback.

The following are options schools have been given to spend ESSER III funds on. Please select <sup>\*</sup> up to THREE of the following options you feel should be the areas of highest priority for Lake Linden-Hubbell Schools.

- Implement key components of Reading, Language Arts and Math
- Deliver interventions for struggling students
- Add instructional support for Special Education
- Training on infectious diseases and the purchasing of PPE
- Planning to properly educate all students during long-term closures
- Facilities (air quality and safety)
- Purchase educational technology including adaptive equipment for students with disabilities
- Providing mental health services and supports
- Summer school and/or after-school programs

Please share any additional options for one-time or short-term use of the school emergency relief funds to address learning recovery, school needs and the overall impact of COVID19.
